PROFILE

Passionate Frontend Developer with experience building responsive and user-friendly web applications using Next.js, React, Tailwind CSS, and Shadcn UI. Skilled in creating reusable components, optimizing UI performance, and integrating REST APIs. Familiar with Node.js, Express.js, and MySQL for full-stack development.

PROJECT

Personal portfolio

Frontend: Next.js, shadcn UI, Tailwind css

- Designed and developed a personal portfolio website using Next.js, and Shadcn UI.
- Built a modern, responsive, and user-friendly interface for seamless experience across devices.
- Implemented reusable UI components and clean frontend architecture for better performance and maintainability.
- Focused on frontend development best practices, including responsive layouts, smooth navigation, and optimized user experience.
